The Center for Strategic Research (CSI) of the Macedonian Academy of Sciences and Arts (MASA) has the pleasure to announce its scientific conference that is going to take place on the **11th of September 2018** starting from **10:00 o'clock at the Ceremonial Hall of MASA:**

“THE AGREEMENT FROM PRESPA: INTERNATIONAL MEANING AND IMPLICATIONS ON THE EURO-ATLANTIC INTEGRATIONS OF THE REPUBLIC OF MACEDONIA”

The Conference is organized due to the vivid need for scientific analysis of the *Agreement for the Settlement of the Differences as Described in the United Nations Security Council Resolutions 817 (1993) and 845 (1993) the Termination of the Interim Agreement of 1995, and the Establishment of a Strategic Partnership Between the Parties* as well as the social, political and media context in which it was concluded. If this Agreement is to be incorporated in the legal system of the Republic of Macedonia it is necessary for its content to be scientifically interpreted, thus illuminating her implications over the parties' legal systems, the bilateral and multilateral political, diplomatic, economical and other relations.

Multiple members of MASA, as well as prominent scientists, politicians and representatives of the accredited diplomatic missions to Macedonia are going to actively participate at the Conference and address the audience. The Conference has three working languages: Macedonian, Albanian and English. Each participant will be provided with simultaneous translation.
